**What is it?** The MTNA eFestival is an online-only performance opportunity where you receive a constructive critique from a highly qualified evaluator.

**Why An eFestival?** Some have access to evaluative events. Others are unable to attend a live festival. Some have an audition or performance coming up and want additional comments. The MTNA eFestival provides a convenient option!

**Who Is It For?** MTNA eFestival evaluations are accepted for solo piano, brass, woodwind, strings, voice, guitar/mandolin, ukulele, organ, harp, percussion and chamber music (maximum six). Musicians can be beginner through advanced, young or old, amateur or competitor, studying with a teacher or on your own.

**How Does It Work?** The musician(s) video-records up to 15 minutes of playing, uploads the video(s) to YouTube and provides MTNA links to each video. In most cases, entrants will receive comments on their performance.

**What About Repertoire?** Any style, any piece, including arrangements and transcriptions.

**What About Video Quality?** It doesn't matter as long as the sound is clear.

**When Can I Start?** The MTNA eFestival runs year-round. No deadlines! No hassle!

**What Does It Cost?** \$25 application fee
